ECC Volunteer Position Description

Position Title: Member, Community Subcommittee

Position Title: Subcommittee Member – Community

Responsible to: ECC Regional Community Subcommittee Chair and Volunteer Manager

Appointment Method: Via application process with approval by the Chair of the Community Subcommittee and Volunteer Manager

Term: The duration of the task(s) assigned

Time Commitment: Varies depending on the specific task(s) in which the member is involved

Position Summary

The Community Subcommittee serves in support of the ECC Regional Committee. Community Subcommittee members are responsible for assisting with promoting activities at the local community, state, and regional level. Community Subcommittee members bring a combination of skills, experience, passion, and influence to assist in accomplishing the community goals and events of an AHA region, while applying their time, talent, and resources toward advancing CPR knowledge and improving the cardiovascular health of the community. Major responsibilities include:

- Works in concert with the Community Chair, ECC regional volunteers, and AHA staff to promote programs and accomplish events to support the community’s cardiovascular and cerebrovascular health. This includes, yet is not limited to providing Hands-Only CPR training at AHA and ECC community events (Heart Walks, Go Red For Women luncheons, CPR Week, school events, etc.).
- Encourages committee members, subcommittee members, and community partners to fully engage in the goals of the AHA/ECC and is motivated to apply his/her time and resources for successful outcomes.
- Understands and fully supports the mission and policies of the AHA.
- Registers and actively participates as a member of the You’re the Cure Network.
- Attends orientation or training as appropriate.
- Participates in 75% of all meetings as scheduled relating to areas of the subcommittee’s focus.
- Scrupulously abides by the Ethics Policy and the Conflict of Interest (COI) policy.
